

# 5 Affordable Indoor Plants That You Might Also Get for Free

If you are looking for ways to improve the aesthetic of your home without spending a lot of money, you should consider indoor plants. Not only do they make your home look more inviting, but many of them can also be obtained for free!

Follow along as we discuss 5 affordable indoor plants that you might also get for free.

## 1. Aloe Vera

[Aloe Vera](#) is a succulent that is known for its ability to heal cuts and burns. These plants are easy to care for and can be obtained for free from many friends or family members who have them growing in their homes. The next time you're visiting with someone that loves indoor plants, inquire about Aloe Vera. You may get lucky and walk away with some Aloe Vera of your own.

## 2. Snake Plant

[Snake plants](#) are another easy-to-care indoor plant that can often be obtained for free. These plants get their name from their long, snake-like leaves and can grow to be quite large. If you have a friend or family member who is looking to downsize their indoor plant collection, see if they would be willing to part with a snake plant or two.

### 3. Spider Plant

[Spider plants](#) are a type of flowering plant that is known for their ability to purify the air. These plants are easy to grow and can often be found for free at plant swaps. If you're looking for an indoor plant that will not only improve the aesthetic of your home but also help to purify the air, a spider plant is a great option.

### 4. Boston Fern

[Boston ferns](#) are a type of fern that is known for their ability to thrive in humid environments. If you have a bathroom with little natural light, a Boston fern would be a great addition. Many people tend to have several Boston ferns in their homes and sometimes hanging on their front porches. A kind ask can score you one of these indoor gems for free.

### 5. Peace Lily

Peace lilies are a type of flowering plant that is known for their ability to thrive in shady areas. If you have a room in your home that doesn't get a lot of natural light, a [peace lily](#) would be a great option. These plants are also known for their ability to reduce airborne toxins, making them a great choice for any home.

If you're looking to improve the aesthetic of your home without breaking the bank, consider adding some of these plants to your collection.
