Bonus Channels

These channels aren’t vegetable gardening per se, but I have to include them because they offer a lot of excellent plant knowledge and can improve your gardening.

Native Plant Tok

Kyle Lybarger is a forester and native plant enthusiast. He introduces his audience to beautiful native plants that play essential roles in their ecosystems. And he even suggests native alternatives to invasive ornamental plants.

Alexis Nikole aka Black Forager

Alexis Nikole is a very knowledgeable food forager. She takes you into her community, where she harvests and uses local plants and fungi in delicious recipes. She talks about recognizing edible wild foods, cooking safely, and their importance in cultural history. My favorite video is on the Poke plant.

In my opinion, these are the best Tiktok gardening channels. Did you see your favorite TikTok Gardener on our list? Who did we miss?
